

Curriculum Vitae V. Kokovic

Education

- 1983-1987 Courses in Dental technique, School for Dental Technician, Belgrade, Yugoslavia
- 1988-1994 **Studies in General Dentistry DDS**, Faculty of Dentistry, University of Belgrade, Yugoslavia
- 1995-1998 **Post Graduated Specialistic Studies in Oral Surgery**, Faculty of Dentistry, University of Belgrade, Yugoslavia
- 1996-2001 **Post Graduated Master of Science Studies**, Military Medical Academy, Belgrade, Serbia (thesis in implant dentistry and oral surgery)
- March 2003 Course “Straumann Week” – University Bern, Switzerland.
- Sept 2003 Course “Biologic of periapical process”- R. Nair- University Zurich, Switzerland.
- 2002-2003 **ITI Scholar** (International Team of Implantology) in Department of Fixed and Removable Prosthodontics and Dental Materila Science, Center for Dental and Oral Medicine and Cranio-Maxillofacial Surgery, University of Zürich, Switzerland (mentor Prof. CH Hammerle).
- 2004-2007 **Post Graduated PhD studies**, Faculty of Dentistry, University of Belgrade, Srbia (thesis in implant dentsiry and oral surgery)
- 2011 “Tretamnet strategy and procedures for advanced levels” – Astra Tech education centre, Molndal Sweden.
- 2012 Straumann course in using of Membragel for augmentation procedure
- 2012 Computer guided Implant Dentistry

Licences, Certifications, Titles

- 1994- Diploma for Doctor of Dentistry, Faculty of Dentistry, University of Belgrade, Serbia
- 1998- Diploma for Specialized Studies of Oral Surgery, Faculty of Dentistry, University of Belgrade, Serbia
- 2001- *Diploma for Master of Science, Military Medical Academy, Belgrade, Serbia*
„VASCULARISATION OF CaHIDROXIAPATITE AND ITS MIXTURE WITH HUMAN DEPROTEINISED BONE: EXPERIMENTAL STUDY”
- 2007 – *Diploma of PhD, School of dentistry, University of Belgrade, Serbia*
“IMMEDIATE LOADING OF STRAUMANN TE IMPLANTS INSERTED IN POSTERIOR AREAS OF LOWER JAW”
- 2007 – present - Serbian licence specialist in oral surgery (#300734, 01.05.2009)
- 2012 – present - MOH – specialist A in oral surgery (D8591)**
- 2013- MOH privilege in implant Dentsity**
- 2013 – Course of Good Clinical Practice, Ethical Comity UAE
- 2014- BLS, UAE

Principal Positions Held

- 1994-1995 Full-time work in public dental polyclinic, Belgrade
- 1995-1998 Assistant, Clinic for Oral Surgery, University of Belgrade, Yugoslavia
- 1998-1999 Full-time Specialist in Oral Surgery, Private Dental Practice “Kokovic” Belgrade, Yugoslavia
- 1999 – present Part time Specialist in Oral Surgery & Implantology, Private Dental Practice “Kokovic”, Belgrade, Serbia
- 1999- 2000 Oral surgeon in the Institute for Oral Transplantation and Implantation,

Curriculum Vitae V. Kokovic

- 2000- 2002 Military Medical Academy, Belgrade, Serbia
Chief of department for producing bone substitute materials, Institute for Oral Transplantation and Implantation, Military Medical Academy, Belgrade, Serbia
- 2003-2007 Assistant of Professor , Clinic of oral surgery, Faculty of Dentistry University of Belgrade, Serbia
- 2007 – 2012 Associate Professors of Oral Surgery, Faculty of Dentistry University of Belgrade, Serbia
- 2010- 2012 Associate Professor of Oral Surgery, Faculty of Medicine, Department of Dentistry, University Podgorica, Montenegro
- 2012- present Associate Professors of Oral Surgery & Implantology, RAK College of Dental Science RAKMHSU, Ras Al Khaiman, UAE
- 2013 - present Specialist A in Oral Surgery, Medical Centre, RAK College of Dental Science, UAE
- 2014 – present Visiting Professor in Oral Surgery & Implantology, Faculty of Dentistry, Pancevo, Serbia
- Sept 2014 VC Chairperson of RAKMHSU Research & Ethical Committee
- Oct 2013-July 2014 – Coordinator of Certificate Program in Implant Dentistry accredited by **HAAD with 132 CME** hours;
- Sep 2014- Jun 2015 - Coordinator of Certificate Program in Implant Dentistry accredited by **HAAD with 125.75 CME** hours;

Languages:

- **English** – fluent in spoken and written
- **German**- finished “Basic user” course in Alfa Sprachstudio, Zurich, Switzerland

Clinical experience:

Oral surgery (19 years) :

- Surgical extraction of impacted teeth
- Periapical surgery
- Preprosthetic surgery
- Surgery of maxillary sinus
- Orthognatic surgery
-

Implantology (16 years):

- Computer guided implantology
- Bone ridge augmentation
- Sinus-lift procedure
- Immediate implantation
- Immediate loading
- Soft tissue augmentation

Perio-surgery (19 years):

- Grafting procedure
- Perio surgery procedure

Implant Prosthodontics (16 years):

- Implant supported fixed restorations

- Implant supported removable restoration

Membership in Professional and Scientific Organizations

- *Since November 2007, ITI fellow*
- Since 2009, EAO member
- Since 2010, AO member
- Serbian Society for Oral Surgery
- Serbian Society for Oral Implantology
- Serbian Society for Investigation
- *Since 10th April 2013 member of Serbian Academy for Investigation*
- UAE National Research Foundation
- Editor board member – Journal “Racionalna Terapija”
- Editor board member – International Journal of Experimental Dental Science (IJEDS)

Research

1. **Bone regeneration using a synthetic matrix containing PTH peptide combined with a grafting material-** Project on university Zurich, Switzerland – published in *Int J Oral Maxillofac Impl. 2007; 22 (2): 257-66*
2. **Guide bone regeneration with a bioactive and biodegradable membrane. A comparative study in dogs** – Project university of Belgrade, Serbia and university of Zurich, Switzerland – *Clin Oral Impl Res 2011; 22: 802-7.*
3. **Closure of oroantral communication and oroantral fistula using bioactive membrane.** - Project university of Belgrade, Serbia – abstract published in *Clin Oral Impl Res 17;4:c. 15th Annual Scientific Meeting, Zurich, Switzerland 2006.*
4. **Immediate loading of Straumann TE implants** - Project university of Belgrade, Serbia- **study supported by Straumann company 2004-** published as abstract in: *Clin Oral Impl Res 17;4:lxvii. 15th Annual Scientific Meeting, Zurich, Switzerland 2006.; Clin Oral Impl Res 2007. 18; 5: lxxii.16th; Annual Scientific Meeting, Barcelona, Spain 2007.; A case report” ITI World Symposium, June 18-20, 2005, Munich, Germany; Research competition – ITI World Symposium 26-28. April 2007, New York. USA;* Paper submitted in Clin Oral Impl Res.
5. **Immediate loading of short Straumann SLActive TE implants** – present study on university of Belgrade, Serbia - **study supported by Straumann company 2007.** Published as abstract in: *25th AO 2010-Orlando, USA; AEEDC Dubai 2011, UAE.* Papers submitted in Int J Oral Maxillofac Surg.
6. **Comparison of early and immediately loaded short Straumann SLActive TE implants in posterior part of maxilla with in 12 month: clinical study** – present study on university of Belgrade, Serbia - **study supported by Straumann company 2009/2010 (protocol IIS 29/09) .**
7. **Research supported by Ministry of Science and Technology development of Serbia, project No.175021/2011**
8. **Research supported by Natural Dental Implants AG, Germany (24.02.2014 Research & Ethics Committee RAKMHSU 2-2014-FD “ Clinical Assesment of the success of using a customized root analog”)**
9. **Research supported by Axis Biodental Implant Company, Switzerland (24.02.2014 Research & Ethics Committee RAKMHSU 3-2014-F-D “ Assesment of implant stability of Zirconium dioxide implants using the resonance frequency analysis- pilot study”)**

Teaching experience:

12 years experience in leading:

- student courses from area of oral surgery, dental anesthesiology and dental implantology;
- postgraduate studies of oral surgery;
- basic and master courses of dental implantology
- mentor for PhD studies
- mentor for Specialistic studies

Leader of courses:

1. March 2013 – “ Basic course in implant dentistry” RAK Collage of Dental Science, UAE;
2. Jun 2013 – “ Lateral & Cretals approach for Sinus Lift Procedure” RAK Collage of Dental Science, UAE;
3. **2013-2014 Co-ordinator in Certificate Program For Implant Dentistry, RAK Collage of Dental Science, UAE** (certificate program is attested by RAKMHS University and by HAAD wit 132 CMH);
4. **2014-2015 Co-ordinator in Certificate Program For Implant Dentistry, RAK Collage of Dental Science, UAE** (certificate program is attested by RAKMHS University and by HAAD wit 125.75 CMH);

Author and coauthor of:

- 19 original articles published in domestic and international journals (10 papers in CC journals),
- 60 presentations on international and domestic meetings,
- 23 individual lectures
